YOU
Can
DO
it!

Dear David,

I had wrote you a 70 page letter within a 2 week period that I ran the letter by my attorney (which I am on my dad's public defender) but he told me at that time which was last week that it was not a good idea to send it. So all of this time since I saw you, I

have been told to not come & see you nor write you. I never have any money to put on your books or the phone. I go may 8th to

and out my trial date. I had wrote you a 70 page letter within a 2 week period that I ran the letter by my attorney (which I am on my dad's public defender) but he told me at that time which was last week that it was not a good idea to send it. So all of this time since I saw you, I

And by "it",

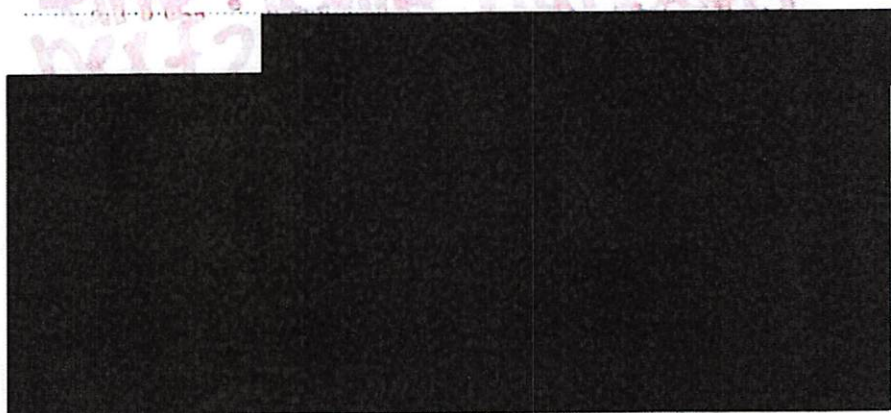

I mean

ANYTHING.

I watched
your interim
in Green
Co.. you
love you forever
regarding weather
bunch

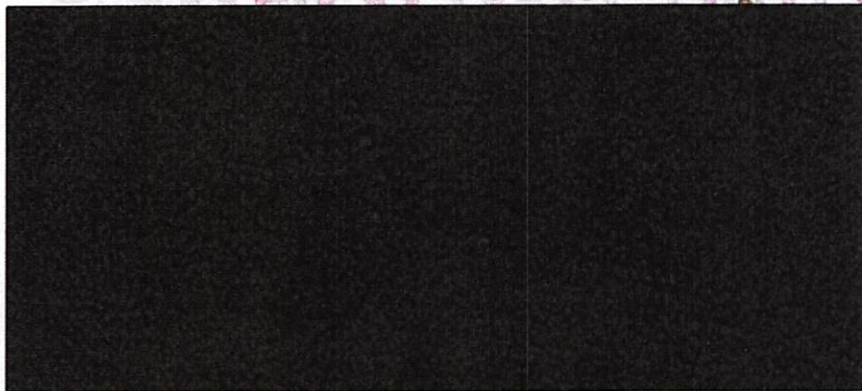

of bullshit and lies! You
had diarrhea of the mouth
talking more than I have
ever heard you talk!

an A.B. or member of
ANY group. You were
going to stick to the
Plot of God & do your
time. What happens
next?

What the fuck were
you thinking? Definitely
not about you & me
and our future
and not about snitching
on people and what
the brotherhood does
about that.  Why
would you sign your
name?

up for a death sentence?
Then you lied to the
ATF & feds about me
knowing about that
gun at all and
admission that gun.

[REDACTED] I didn't
need or want a gun
& you knew that!
But obviously you
knew in advance
that you would be
lusted by the feds
or ATF and set me

up is along with
you, caring more
about yourself & your
shit than my life &
future. Or you really
gave just a touch of
advice and knew
better than I ever
did of all of the
vandalism that
would go on after
you left for prison.
Have you done that
much harm to other
people, to cause
them to want to
rob or kill you?

I don't know you. I did
I don't know who you

are my users, & who
I married! I know
that I will fight this
to the end. God does
not like wily and
he blesses those who
do right. You already
wasted the last 2
years of my life.
Now you are trying
to take the next
two to 10 yrs of my
life away?

God's vengeance will
be much greater than
mine could ever be.
So I won't seek
vengeance but I just
pray that you go to

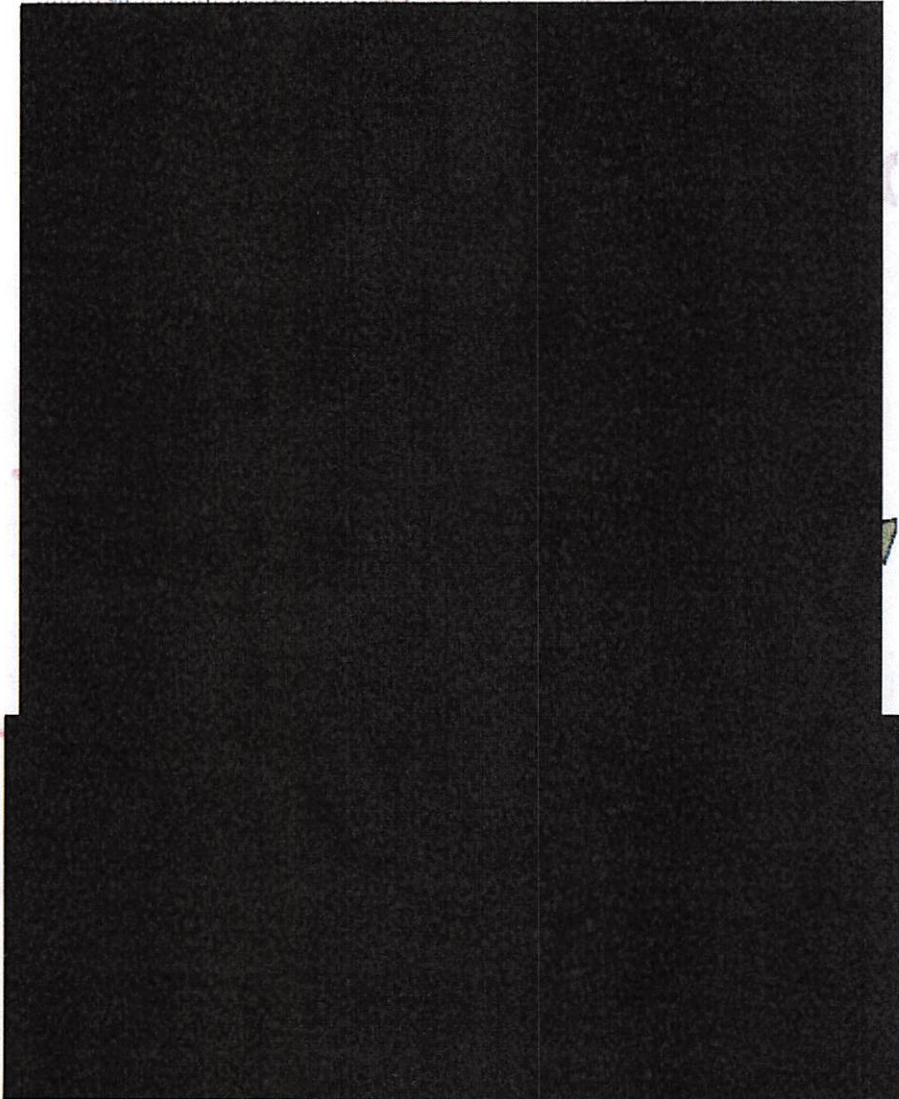

the judge & the investor
& your attorney & tell
them the truth.

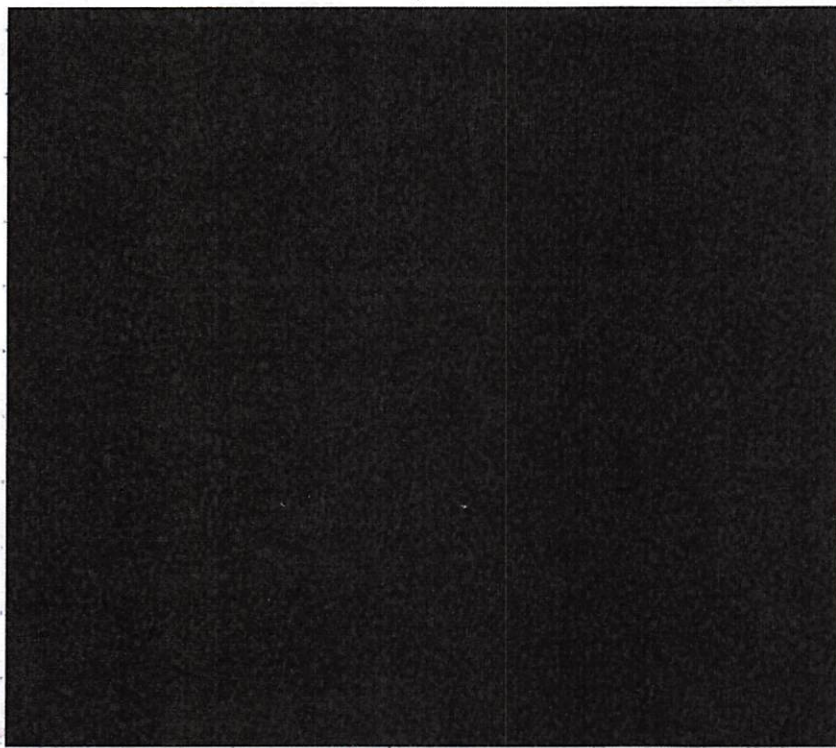

[REDACTED]

[REDACTED]

You lied about a lot
more than just that,
you already signed
a plea deal. They
can't add more.
Some after you are
sentenced. I'm
curious what they
offered you to have
me convicted on this
charge too? Because

They were n't going to
change me with anything
I was it your plea to
set me up all along?

You never told me
about the gun in
your closet or all
of the ammunition,
and the fuck-kin
of person are you
David? Do you think
that after all that
you've done to me

that I would send
your Bible Correspondence
course stuff in to you
anytime for you
what for you to look
at it? Was that
all planned too?
Not happening!
You won't play
games with my
father (dad) or
me & my life!

I would have taken
care of you if I
weren't facing
charges. I'm not
guilty of anything
were. A big strong
man to do your

later
hur!

Every body keeps asking
me why I want to leave
you and thing or

do anything for you..
Like care or send you
money. I married you
b/c I loved you. I
never expected ANY
of this! You are a
horrible & weak
person for what you
are doing & have done!
You will have a rough
life b/c of it if the
brothers don't kill
you b/c of snitching
or the fact that

██████ hates you
due to you saying what
you said about him
being a snitch & that
he wasn't shit!
Poor David.. has
to be a part of a
gang to feel like
somebody. God
loves you the way
He made you. Not this
evil ass person you
have become!

Your kids don't want
nothing to do with you
anymore. [REDACTED]

Gave me her address
for you to send mail
to [REDACTED] cause [REDACTED]
does not want you
knowing where she
lives or her #.

But yet your wife..
Heather (the one

you snitched on & set
is going to give your
1st grandchild the
motorcycle you wanted
them to have! I also
called when you asked
me to [REDACTED] to get
[REDACTED] address so
you could write your
grandchild! I kept
all 3 of your children
informed about your
health & Court stuff
via facebook messenger
I made sure your
building was saved
by paying the pastor
property tax that you
knew about, yet
neglected! I got the

amount of the building
that we live in, reduced
low enough for us to
afford & I got the \$
money up to pay for
it. Just so that you
could take my name
off of the deed before
the deed came in but
yet it was all after
we were married!
I made this dump
a home

I did not interfere
in your affairs &
was kept in the dark
about EVERYTHING
Just to be ignored &

hit on! Abused & neglected
You used me like you
have used the least
(God knows) how many
women! You are a
weak ass man &
you expect me to
not get rid of
EVERYTHING! ?
If I don't, it will
all be stolen or given
away to God knows
who!... if I go to
jail. I never wanted
to do this, nor did I
sign up for it or
false charges but
you knew what you
were doing all along!
I was brought in to J.

your life to bring you
back to Christ. God
gave me eyes to only
see the good you
could be or used to
be.

and if you were
seeking Him instead
of all this evil &
horrible living shit!
You knew I had done
& taken charges for
2 people in the past.
It took away 19 years
of my life & everything
important to me like
my schooling, my
family, my children
My Life!

TIME FREE

That's why you lied
& got me caught
up in your bullshit
mess! WE AK!

Talk
to you
more Thurs
Too mad to
write any
more!
